... "To everything there is a season:
a time to weep, and a time to laugh;
a time to mourn, and a time to dance."

Ecclesiastes 3: 1, 4

FOREWORD

“To everything there is a season,” and now that we have completed another school year, we can recall some of the seasons passed at Cleveland High School—a season of newness for the Freshmen those first few days of school, a season of familiarity as the Sophomores become accustomed to the surroundings, a season of buying and selling as the Juniors prepare for the prom, and a season of ending and beginning as the Seniors complete their high school education and prepare for the future. The year was filled with hard work and play, disappointment and success, sorrow and rejoicing, all the experiences which are so vital to the shaping of our lives. Realizing that each class must pass through these seasons, we open the pages to an eventful and exciting year.

In Memoriam

MRS. ELLA ASHBROOK

Bring her the blue hills covered with red-bud and dogwood, laurel and rhododendron,
the gold and scarlet of autumn maples, the blanket of glistening snow

Bring her the wide sky, the mists that rise from the rivers, the sun that sheds his
glowing on a golden countryside, the calm still beauty of the evening star

Bring her the laughter of children, their faces filled with wonder at the miracles she
unfolds

Bring her fullness of life, for this we learned from her-----

the joy

the wonder

the zest

the LOVE OF LIFE ITSELF.

A time to Plan

A time to Work

Although our academic courses take a tremendous amount of work—they give us a new understanding of the world and the people around us. The faculty has shown us there is work in study, yet in learning there is joy.

Dedication

Wishing to recognize personal integrity and sincerity, unselfish service, sympathetic understanding of young people, and earnest dedication to the mission of challenging students to achieve their highest potentialities, the ARROW STAFF dedicates the 1968 ARROW to Mrs. Helen Owens.

ADMINISTRATION

IN TRANSITION

In recent years profound social changes have been occurring in the United States. We are the original affluent society, and our astonishing technology promises more material abundance, more leisure, and more education.

Yet our society is beset with unrest, social protest, and even violence. The emergence of a mass society and the resulting changes in family life, intergroup relations and social values, have posed new and serious challenges to traditional attitudes and values.

We live in the most prosperous nation in all history. Yet we have the problems of other countries past & present, less fortunate than we. To the graduating class, I offer this challenge: There is only one corner of the universe you can be certain of improving, and that is your own self. You must begin there, not outside, not on other people. That comes afterwards when you have worked on yourself.

Awards Day May 22, 1968

Senior Class President, Pete Simerly, presided over the meeting.

The office of S.C.A. President is passed from Lannie Cook to Stanley Ferrell.

The Americanism Award was given to senior, Pete Simerly.

Pam Blizzard was awarded The 1967 Crisco Outstanding Student Of Home Economics Award.

Physical Education Awards were given to a number of elementary students.

Many C.H.S. students received a variety of awards for outstanding achievements.

A time to WEEP A time to LAUGH

In any phase of Athletics there is a time to weep and a time to laugh, and we did our share during the year. From the beginning of the basketball season, we mingled laughter with our cheers. The Russell County Tournament brought elation when we won the first game of the tournament and perhaps tears of JOY when we won the county Championship. Our last game in the District Tournament left us in real tears. But we began to look forward to track, baseball, and . . . next year.

"The Highlights of The Season"

Otis Collins and Terry Powers, proud team captains, received the trophy for the Russell County Tournament from Mr. Elkins while Coach Myrl Allen looks on.

The cheerleaders rallied team spirit and led the fans in cheers.

School Spirit

Charlie Artrip and Mike Combs speed down the court in a fast break.

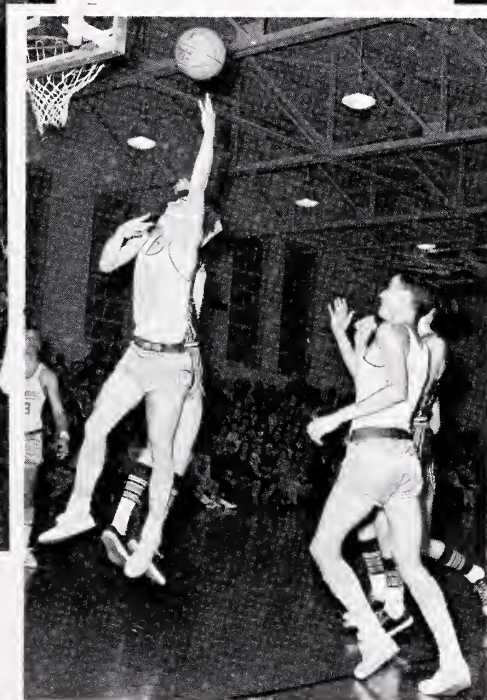

The Cleveland crowd tensely watches the action during a game with Honaker.

risers as the season progresses

Otis Collins comes down from a rebound in the typical Collins style.

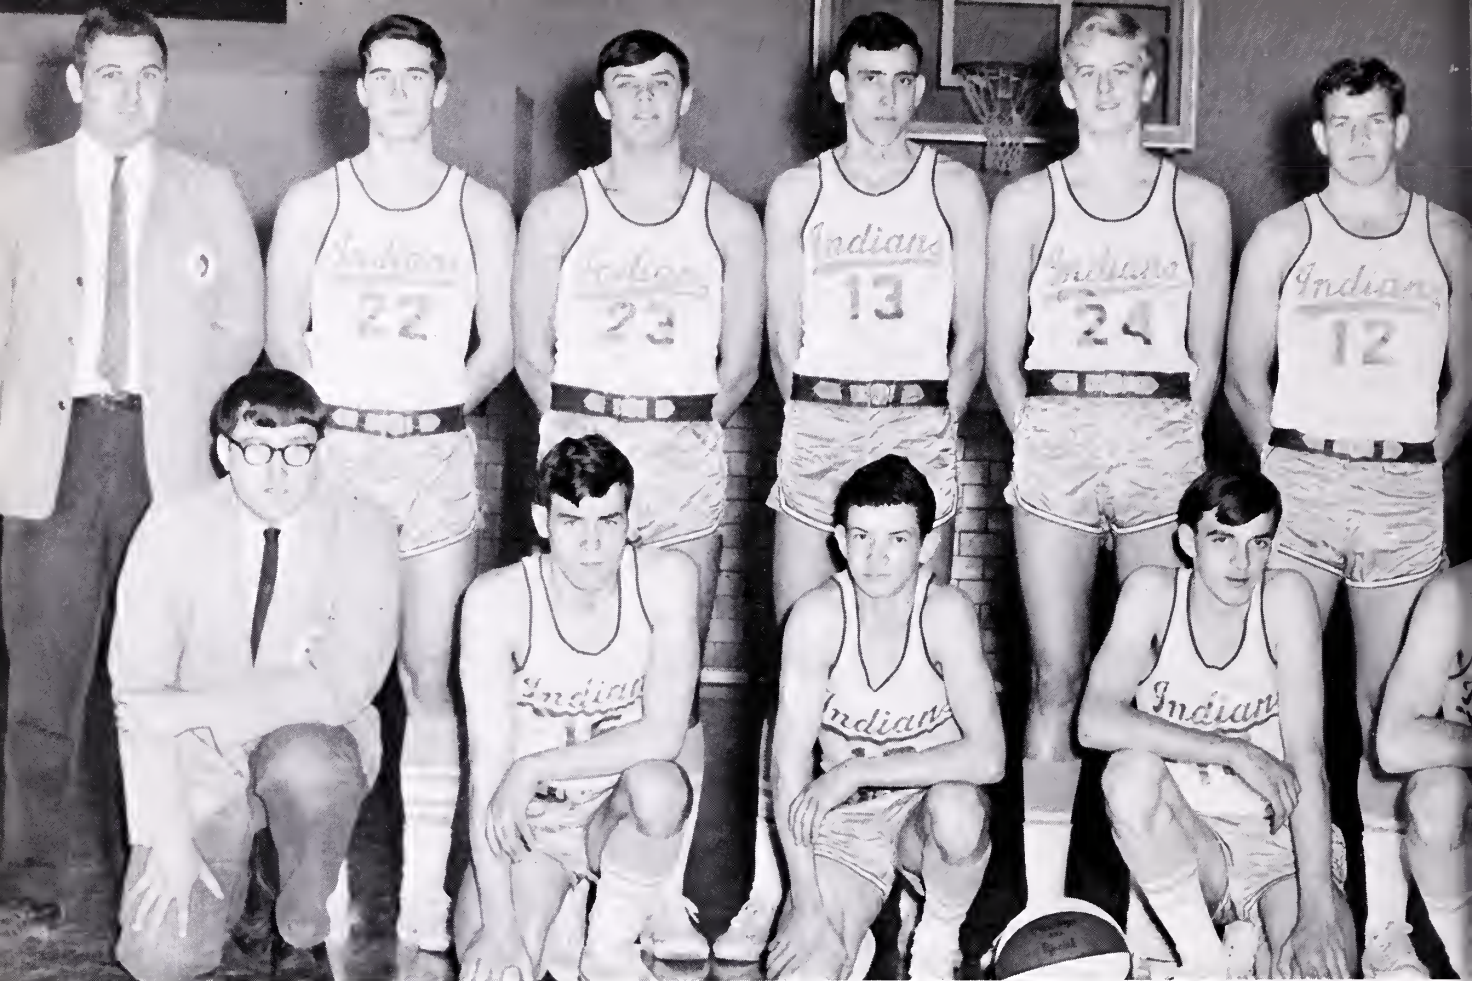

Mike Combs lays up another two points in the Honaker game.

Jeff Owen, with an average game score of 26, made his thousandth point at the Pocahontas game.

A time to BUY
A time to SELL

We sold everything from Christmas cards to stationery during this year. In working to produce an annual we developed an appreciation for the economic system of our community and our nation. Without free enterprise and the support of our business firms we realize that a yearbook would be impossible.

Build a Better Mousetrap

... and the world will make a beaten path to your door.

It happens all the time in our country. People with imagination and ambition can expect to be rewarded. Each of us has the opportunity to fulfill our dreams ... to get ahead by building a better mousetrap.

In America profit and honor are rewards to those who make significant contributions to our way of life. This is because we believe in Free Enterprise, the economic system that has given us the highest standard of living in the world today.
